## WELCOME MESSAGE FROM ORGANIZATION

Dear All,

**U**nited Scientific Group a non-profit organization takes the honor to invite you to the *Fourth International Conference on Fossil and Renewable Energy* which will be held on *February 17-19, 2020 at Houston, TX*. F&R Energy-2020 hosts important gathering and foster connections that will spur the innovations in Energy fields. Energy-2020 formerly titled as Gas, Oil & Petroleum Engineering (GOPE) and now reinstated with a new dialogue on Energy Ideas. It is a forum where business and academia intersect to spark development and showcase latest technological developments in Global Energy Issues. It is a three-day event which features energy experts, academicians, business executives and engineers to showcase recent trends, strategies and challenges of energy systems. It creates platform to focus on advancing new energy paradigms for energy systems and global energy issues. F&R Energy-2020 program is an assemblage of inspirational keynote addresses, top-notch educational sessions, interactive panels and networking events.

We believe *F&R Energy-2020* is an opportunity to network with peers and take real ideas to implement at your respective organizations.

## Why to Attend?

- « Exposure to cutting-edge ideas in a growing field with both technological and economic promise
- « Present your research on a global stage
- « Gain new ideas, tools, and tactics
- « Meet experts and influencers face-to-face
- « Seize networking opportunities
- « Showcase your company's technologies
- « Question the current economic and consumption models
- « Critically examine local cultural practices
- « Adopt considerations of sustainability
- « Underline social responsibility both locally and globally
- « Gain exposure to computational, experimental and modeling approaches

## Who Should Attend?

- « CEOs & senior management of Oil & Energy companies
- « Petroleum & Energy engineers/Manufacturers
- « Academia - Professors, Researchers, Students
- « Contractors of refineries
- « Project/Operations managers
- « Refining & pipeline engineers
- « Corrosion control engineers
- « Technical/Purchase managers
- « Safety managers & engineers
- « R&D personnel/Industry consultants
- « Engineering & EPC consultants
- « Geologists/Geophysicists/Petro Physicists/ Energy Experts
- « Executive of Oil & Energy Companies
- « Service & Supply Companies
- « Petroleum & Energy Industry Consultants & Researchers
- « Contractors & Sub-Contractors to the Upstream Industry
- « Drilling Supervisors/Drilling Engineers
- « Petroleum Engineers/Reservoir Engineers
- « Oil & Energy field Service Technologists/Service Providers

# SPONSORSHIP

*Support the event and take the advantage of getting connected with your target audience!*

The United Scientific Group (A Non-profit Scientific Organization) organizes interdisciplinary international conferences to showcase on cutting-edge basic and applied research outcomes within life sciences including medicine and other diverse role of science and technology in society.

**F&R Energy-2020** three-day conference will give attendees a chance to interact, learn, and engage with the business leaders and industry's foremost researchers, while tackling the pressing issues that face the new generation. Participants will be top level representatives from sectors like prominent commercial; regulatory; scientific organizations and academic institutes.

USG offers several opportunities for sponsors to demonstrate their support towards science and its people by providing financial contributions to facilitate the presentations of noble research findings, hospitality and other necessary management for the scientific gathering.
